THE
FAMILY HISTORY
OF
WILLIAM PORTER
AND
ELIZABETH KENNEY

A FEW THOUGHTS

On the following pages you will find a history and narrative of a little of the lives of two people, William and Elizabeth Porter, and their descendants.

I wonder what was in the hearts and minds of William and Elizabeth as they sailed individually so many years ago to Canada. Was it a sense of adventure? Was it for freedom? Was it to a land of plenty? One will never know.

They started with nothing, only their willingness to work and a lot of tired muscles to carve a home out of the wilderness. Of importance to the early families was to build a shelter in which to live, a church in which to worship and a school in which to educate their children. Looking at our world today, they were successful in all areas.

Gone are the days of the slow pace of living and travel. Horses and buggies did not travel great distances, because one always had to return home to chores. One can note that many of the early people married someone from their community. Only in the last couple of generations have people travelled further and further from their places of birth.

Here are the days of much technology - hospitals, air travel, electricity, electronic media to name a few. We have so much compared to our forefathers, but do we have the same determination amidst all our luxuries to be strong in our communities and churches, to make an impact on our world as our forefathers did in theirs? We have so much to be thankful for, and so much to live up to.

What was in the hearts of other pioneers who left St. Vincent Township and their families to move to places unknown - the Frees to Texas, the Bishops, Curles, Milligans to Saskatchewan, the Blakeslees to Michigan, David Porter's family to Alberta, the Atkins families to British Columbia and Saskatchewan? Was it again a sense of adventure and curiosity, a chance to expand their horizons?

During the time of research of this history, I have been left with some deep thoughts - the more I learned, the more I wished I could have known these early people. (Maybe we do know them in the character traits we have inherited.) I would like to have walked with them, talked with them, worked with them and worshipped with them. But since this

is impossible, the challenge that stirs in my heart is to live my life in such a way that my forefathers would be proud to call me one of their descendants.

An old hymn comes to mind and I would like to share it with you.

O GOD, OUR HELP IN AGES PAST
by Isaac Watts

O God, our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast,
And our eternal home!

Under the shadow of Thy throne
Still may we dwell secure;
Sufficient is Thine arm alone,
And our defense is sure.

Before the hills in order stood,
Or earth received her frame,
From everlasting Thou art God,
To endless years the same.

O God, our help in ages past,
Our hope for years to come;
Be Thou my guide while life shall last,
And our eternal home.

Many thanks to all of you who have contributed information from your families. Without you we couldn't have completed this history. Your help is much appreciated. Our apologies for any errors due to mis-interpretation of handwriting.

Special thanks is extended to the late Ellen (Nellie) Jane Porter who spent many hours in 1949 writing down the Porter family history. Without her help many years ago, this task would have been very difficult. Thank you, Aunt Nellie.

EXPLANATION OF NUMBERING SYSTEM

Each person has been assigned a number. Each time you add another number to a group, you move to the next generation. Each child of a family is listed in order of birth with their children listed after them.

1. Number assigned to William Porter and Elizabeth Kenney.
11. Adding one digit indicates a child of William and Elizabeth; this number is for David Porter.
113. Adding another digit indicates a child of David and Georgina Porter, or grandchild of William and Elizabeth Porter; this number is for Bernice Kerr Porter.
1132. Adding another digit indicates a child of Bernice and William Herman; this number is for Aura Jean Herman.

William and Elizabeth were buried in Duxbury's Cemetery, St. Vincent Township. Their graves were moved to Lakeview Cemetery, Meaford, Ontario in 1929.

Further history of William and Elizabeth can be found in the narrative that was written by Ellen (Nellie) Porter in 1949; the narrative follows.

HISTORY OF THE PORTERS

1949

William Porter, the grandfather of the George H. Arthur family, the Atkins, the Frees and the Porters was born December 28, 1821 in Wiltshire, England sailing from Bristol England as a young man for Canada taking either eight or eleven weeks to cross the ocean. He had two sisters but they never came to Canada. He worked for Hiram Bond on the 9th Line North of St. Vincent for eight dollars a month. This was the highest wage paid at that time. He borrowed money from a Mr. McKnight in Owen Sound. He went over there to make payments. The McKnights invited him to stay for dinner. The girl that worked in the home was Elizabeth Kenney. Later she became William Porter's wife.

Elizabeth Kenney was born on May 15, 1823 in Donegal, Ireland - an only child and was a servant in the Old Land. She and her mother came out here when she was around seventeen. She was raised an Anglican but later became a Methodist. She walked from either Barrie or Collingwood to Owen Sound where she worked for Mr. McKnight.

One time Mr. Porter went to see his sweetheart thinking it was Sunday, but as there were no calenders, he missed the count and it was Monday. She said "Why William where have you been? I was wearing for you."

On May 18, 1846 William Porter and Elizabeth Kenney were married. The farm on which Herb lives was their land taken from the Crown in 1846. They lived in a little log cabin southwest of the present house. When they started to farm all they had was a shilling and an axe. The table, chairs, sap buckets, spiles were all homemade whittled with a jack knife. The cradle for the eldest, at least, was a sap-trough, a log cut in two and hollowed out.

There were always Indians lurking around. The road was only a trail like a cow path through the bush.

In those early days they had logging bees. The men, taking a team of oxen went to help the neighbours clear the land. Oxen were handier to use in bush as they did not snag themselves; only the chain to carry. The women went along for a sewing bee. In earlier days there were fine tucks down the front of the men's white shirts. Grandma Porter was an expert needlewoman and she was given the task of making these fine tucks by hand as there were no machines.

For fruit, there were wild berries growing in the clearing. These were preserved with maple sugar in stone crocks.

Grandfather took whatever he could carry of wheat to Barrie; have it ground into flour, and carry it home again. Sometimes he would take the oxen and other times walk going one day and coming home the next. It is sixty-five miles to Barrie from here. He would get tea too.

Around seventy years ago Harry Arthur can remember when they had six horses, a yoke of oxen and some big cows. The end of the cow's horn was sawn off and a brass knob screwed on to keep them from hooking. This is the only place H. Arthur ever saw them.

The present house was built in 1865 when Herb's father was four years old. The contractor was J. J. Johnson. He came from down the country. This was the first work he had done around here. Before he was through he had a number of contracts ahead of him so he moved to Meaford. When they finished building the house the contractors built the cupboard, which we got from the Aunt Ellen estate, and gave it to grandmother as a present.

Where the driving shed now stands there was a building to house implements and horses. The old barn was all on one floor. The present horse stable was built around 1900 when William was two years old.

The barn was built while grandfather William was living. Isaac Porter planed all the lumber in the horse stable and driving shed the winter before they were built.

Grandfather and grandmother had eight children - having seven children in nine years.

Grandfather and his daughter, Sarah Jane, went to the Quaker church on one horse. This church was a half mile north on the 9th Line of the Meaford Highway on the east side of the road. When they had their meetings they never spoke till the Spirit moved them.

In later years Grandma never combed her own hair. It did not matter how busy Ellen was, she would always stop to comb her mother's hair.

When Grandad wished to tease his wife he called her Betty. Then she got riled and he chuckled to himself.

She was a short stout woman while her husband was only a medium height around 5'8". His son Isaac resembled him.

They were very fond of the grandchildren. The grandmother never left home for a long time before she died. Mary Arthur, later Mrs. A.L. Shunk, used to get up on a stool and comb the grandad's hair - it was in the long English style, and put ribbons on it. To entertain Grace, one day, the grandmother went for a ride in the phaeton - much like a buggy, only it had mud guards on the wheels and lights from tallow candles. They went around and around the field behind the barn while Grace did the driving.

At Christmas time every chimney had smoke coming from it as a sign of hospitality. The families would all come home for Christmas. In later years two families came home, maybe the Atkins and the Frees one year and the Arthurs and Tom Porters the next year. The older folk would eat in the dining room and the younger in the kitchen.

William Porter was offered lots 8 and 9 Concession 11 of St. Vincent consisting of 600 acres for \$600.00 or a \$1.00 an acre. But grandmother said, "No you cannot put the boys on that place for it won't grow wheat." Wheat was considered the staple crop worth \$1.00 a bushel.

Both could read and write. The grandmother spent a good deal of time knitting; was very quick; rather severe, but good judgment. The grandfather was a mild man but very firm. When she died she left a grain sack of socks for Isaac. A blue pair the boys wore last summer were Isaac's wedding socks - their grandfather.

Grandfather died in June 4, 1886.

St. John's Church was built in 1886 on Thomas Porter's property. Grandmother was asked to name the Church. She name it St. John's after her son John who had died from typhoid fever in 1869 at the age of seventeen years and three months.

Church was attended regularly by every member of the household and family worship was held in the home. No newspapers were read in the home on Sundays even in Herb's earlier days. Every Sunday Herb's mother taught them the Sunday School lesson before they went to Sunday School. Bible truths were taught very impressively in those early days.

The grandmother put potatoes on to boil, take her Bible and study a chapter. By the time the potatoes were cooked she had memorized the chapter. In the speller she went over a long column, closed the book and then repeated the whole column.

After Isaac was married, the mother and Ellen lived in the dining room sleeping in the room off it. Her favourite spot was a rocking chair in front of the west window. Grandfather's clock was north of the west window and the cupboard in the southwest corner.

Grandmother died in May 17, 1909 and was buried in the same grave as her mother who died in her early eighties in Duxbury's Cemetery.

To give you a picture of William and Elizabeth's standing, we have included the Agricultural Censuses for 1851, 1861, and 1871. Note the progression of land clearance during each decade. They grew their own produce and likely used some of it for barter.

William Porter - 1851 Agricultural Census

Concession 10, lot 16, St. Vincent Township, 90 acres

25 acres under cultivation
23 under crops
 2 under pasture
65 under wood or wild
 6 acres wheat = 100 bushels
 3 acres peas = 40 bushels
 1 acre oats = 25 bushels
1-1/4 acre potatoes = 150 bushels
 1 acre turnips = 100 bushels
 5 acres clover or timothy or other grass seed
10 acres hay

28 yards flannel
 3 bulls, oxen or steers

 7 calves or heifers

Notes from census - Owing to the wet season, the pea, Indian corn and potato crops are generally bad, almost a total failure. In many instances, squirrels and birds destroyed the crops, especially in small clearings. The land in most parts of the township is well watered by creeks and living springs. Many of these * may appear incorrect but the reason is they milked more cows in summer than they have to give in at this time. Census Taker.

11. David Porter b. March 2, 1847 Lot 16, Concession 10 St. Vincent Township, d. July 26, 1909 (1910 on stone) at his home, Lot 18, Concession 11, St. Vincent Township, m. _____ 1895 Meaford, Ontario; Georgina Maria Kerr b. October 10, 1866 Meaford, Ontario, d. June 16, 1951 Calgary, Alberta. David is buried in Lakeview Cemetery, Meaford, Ontario. Georgina is buried in Queen's Park, Calgary, Alberta.

Children:

- 111. Infant son, unnamed
- 112. Karl William Porter
- 113. Bernice Kerr Porter
- 114. John (Jack) Porter
- 115. Georgina (Jean) Eleanor Porter
- 116. Mary E. Porter

David was the oldest son of William and Elizabeth (Kenney) Porter. He and his brother Thomas drew bricks for their family home on the homestead, Lot 16, Concession 10. They got bricks from two kilns at Lot 15, Concession 10 (Snider's Corners - now Bethesda) and at Lot 17, Concession 6. These kilns were operated by James Lowe. (Note 1)

Georgina's parents were William and Ellen (Eleanor) Nesbitt Kerr, both from the Oshawa area. They married and moved to Meaford, settling in a log house on the 11th Concession near the Big Head River (about 5 miles from Meaford). Mrs. Kerr was 17 when she married and died in 1939 at 101 years. Both Mr. & Mrs. Kerr are buried in Lakeview Cemetery. Some of their children were Georgina Maria, Olive and Harry.

David and Georgina Porter bought a 200 acre farm, Lot 18, Concession 11, St. Vincent Township in 1885. The farm was called Bayview. (This corner is still referred to as Bayview today.) David left the farm to his wife in his will.

Before David died, a man by the name of Alfred Jeffrey (born 1882) came to Canada from England on a sight-seeing trip. Mr. Jeffrey learned of David's illness, and, although he was not a farmer, he agreed to help the family. He stayed over five years. He married Olive Kerr (a sister of Georgina)

Note 1: History of the Schools of St. Vincent Township and Other Chronicles, 1847-1967. P. 246

and they moved to Calgary, Alberta.

After David's death, Georgina rented the farm out, as she felt it was too much responsibility for her children, and moved to Meaford, Ontario to 142 St. Vincent Street.

In 1936, 0.054 acres was taken off the front edge of the farm for widening of the highway. In 1942, Georgina Porter sold the farm to Mr. Elmer Scarrow. (This farm was in the Porter name for 57 years.)

All the children attended St. John's School at Lot 16, Concession 11. After Georgina moved to Meaford, the children attended Meaford Public School and Meaford High School.

David and Georgina's first child, a son, died at birth and was buried on their farm, as this was permissible in those days.

Karl William Porter was born on his parents' farm (Lot 18, Concession 11) in 1896. He went west by train in 1913 when he was 17 to live with his Uncle Harry Kerr on their ranch in Medicine Hat, Alberta. He stayed there for several years, then started farming on his own. His sister Mary notes that he loved the farm, and especially his animals.

Bernice, born in 1898 on the farm (Lot 18, Concession 11) was not too well in health and lived with her grandparents, William and Ellen Nesbitt Kerr, in Meaford, Ontario. She went west to visit Alfred and Olive Jeffrey in Calgary on her first holidays in about 1916. There she got a job with the Alberta Government Telephones as a telephone operator and stayed out west. In Vulcan, Alberta, Bernice met William Herman, who had a dray and taxi business there. They married and were dairy farmers in Vulcan, Alberta area, then moved to Black Diamond, Alberta to operate a dairy.

John (Jack) Porter was born on the farm in 1900. He went to Medicine Hat, Alberta by train in 1916 to live with his Uncle Harry Kerr. He spent some time as a time keeper in a mine in British Columbia, then a grain buyer in Fort Saskatchewan, Alberta. He was a member of the United Church and the Masonic Lodge.

Georgina (Jean) Porter was born on the farm in 1902 and attended St. John's School, Meaford Public School, Meaford High School and Owen Sound Business College.

She worked for a while as a bookkeeper at a men's furnishings store in Owen Sound, then moved to Detroit, Michigan and later to Newark, New Jersey. She was self-employed, selling ladies, men's and children's ready-to-wear clothing.

Mary was born in 1904 at Bayview, attended St. John's School for a short time with Bill Porter and Edith Jolley. She finished school in Meaford. She and her mother went west to visit her brothers in about 1921 and both stayed. She still lives in Calgary, Alberta. Mary's grandmother, Mrs. William (Ellen) Kerr, formerly of Meaford, and then living in Calgary, was present at Mary and William Schulz's wedding in Central United Church, Calgary. Mrs. Kerr was 96 years of age and signed the register.

Mary tells us of when she and her family would walk to Sunday School and church at St. John's Church, they would pick black and red raspberries on the way. Her Uncle Isaac and Aunt Minnie (#18) would wet their hankies and clean the children's faces.

Georgina Maria Porter went west to visit her two sons in about 1921 and stayed. She died in a private nursing home in Calgary at the age of 85 and was buried in Queen's Park, Calgary, Alberta.

121. Harold Porter

Thomas was the second son of William and Elizabeth (Kenney) Porter. He and his brother David drew bricks for their family home on the homestead, Lot 16, Concession 10. They got bricks from two kilns at Lot 15, Concession 10 (Snider's Corners - now Bethesda) and at Lot 17, Concession 6. These kilns were operated by James Lowe. (Note 2)

Georgina Nesbitt was a younger sister of Ellen Nesbitt Kerr, grandmother of Mary Schulz (#116).

Thomas and Georgina Porter bought 150 acres of Lot 15, Concession 10 of St. Vincent Township in 1884. In August 1886, they donated the northwest corner of this farm (85x150 feet) to the trustees of St. John's Methodist Church. Thomas served on the building committee and also held the office of secretary-treasurer of St. John's for a period of time.

After Harold's death in 1891, Thomas sold the farm in 1893 and moved west to Parksville, British Columbia. Georgina moved to Owen Sound and lived in one of the houses that Thomas had built.

Thomas Porter was a carpenter by trade and built two houses in the Brooke district of Owen Sound, Ontario. One house, located at 2069 - 5th Ave. W., he left to his nephew John (#114) who in turn gave it to Trinity United Church and First United Church, Owen Sound, on the condition it not be sold. The other house, located at 2056 - 4th Ave. W., he left to Mrs. Sam Walter, who looked after his wife Georgina. Both houses are standing today.

Thomas was a ratepayer with St. John's School as this is where his son Harold attended.

George Henry Arthur was the son of John Arthur, Sr., a farmer and a Justice of the Peace, according to the Biographical Directory of Grey County Subscribers in the Historical Atlas of Grey and Bruce Counties, 1880 (H. Belden and Co., Publishers). John Arthur was born in County Tyrone, Ireland in 1803 and settled in Grey County in 1859. He owned Lots 20 and 21, Concession 9 of St. Vincent Township at a value of \$10,000 for 200 acres.

George Henry Arthur bought 100 acres, Lot 20, Concession 10 (the south half of the lot) in 1866 from his father. In the Historical Atlas, this property was valued at \$6,000 in 1880.

George and Sarah Jane Arthur later moved to Lot 17, Concession 11 of St. Vincent Township. He purchased 100 acres (the south half of the lot) in 1888 from Nathan Seaman. This farm was known as Fairview Grange. The date of their move is not exactly known, although it may have been in 1889. The reason for my guess is that George Arthur was a ratepayer of S.S. #12 (known as Street's School or Bumstead's School) in 1889. He was also a ratepayer of S.S. #11 (St. John's School) in 1889. All their children attended one or both schools. (Note 3)

Note 3: History of the Schools of St. Vincent Township and Other Chronicles, pages 154 and 145.

On Fairview Grange (Lot 17, Concession 11) is a beautiful stone house which still stands as a sentinel on the hill, overlooking the countryside facing the town of Meaford. This house was built in 1867. The original barn was destroyed by fire in the 1960s and a new one has been built.

George Henry Arthur sold Lot 20, Concession 10 to his son Orville J. Arthur in 1910. Orville sold it to his brother George Frederick in 1912. George Frederick later sold it to John W. Jolley in 1920. This farm (Lot 20, Concession 10) was in the George Henry Arthur family name for 54 years. The house on this farm was destroyed by fire in the 1960s.

In 1911, George Henry Arthur sold Lot 17, Concession 11 to two of his sons - the west or back half (50 acres) to George Frederick Arthur, the east or front half (50 acres) to Bernard Stanley Arthur. In 1912 George F. Arthur sold his part of the farm to Bernard Arthur. Bernard owned the whole farm until 1948 when he and his son sold it to Frederick I. Genoe, who in turn sold it in 1949 to Clarence Whitfield. This farm (Lot 17, Concession 11) was in the Arthur family name for 60 years.

In the 1871 St. Vincent Township census George Henry Arthur and Sarah Jane Arthur are listed in the following way.

George Henry Arthur age 32, Wesleyan Methodist,
Irish descent, a farmer
Sarah Jane Arthur age 20, English descent
Elizabeth Arthur age 2, Irish descent

They owned 100 acres of Concession 10, Lot 20, of which 70 acres were improved. The farm had 1 house, 2 barns and stables, 1 carriage and sleigh, 2 waggons and sleds, 1 plough and cultivator, 1 fanning mill.

In 1871, 10 swine were killed
400 lbs. butter made
60 lbs. homemade cheese made
70 lbs. wool
20 cords firewood cut

Elizabeth Arthur was born in 1869 on the farm at Lot 20, Concession 10, St. Vincent Township. She married Phillip Foster Taylor. They lived in Toronto and had two children - Arthur and Evangeline. Foster Taylor joined the Toronto Police Force on April 23,

1888 at the age of 29 years and unmarried. He was 6 feet, 3/4 inches tall, born in Ireland and of the Episcopalian faith. He resigned from the Toronto Police Force in 1905, giving a total of 17 years service. Nothing else is known of this family.

William Henry (Harry) Arthur was born in 1871 on the farm at Lot 20, Concession 10 St. Vincent Township. He married Mary A. Howe, a daughter of Provincial Cabinet Minister S.L. Howe. They lived in Meaford and had 2 children, Lyness Rupert Francis (Robert L.) and William Almyra Porter Arthur. Harry owned King Edward Livery on Trowbridge Street in Meaford from 1911 to 1922. Fire destroyed the stable in the 1930s. The house they lived in is still standing - 40 Trowbridge Street, beside the present day Church of the Nazarene. Both their sons moved to Buffalo after World War I, Robert working with the Liberty National Bank and Trust Co. as Vice-President.

Mary Beatrice Arthur was born in 1873 on Lot 20, Concession 10, St. Vincent Township. She married Abraham Lincoln Shunk of St. Vincent Township in 1901. Rev. Shunk was ordained in the Gospel Workers' Church on December 17, 1914. He preached in Collingwood and Shelburne, Ontario. He retired to Meaford in 1928 because of failing eyesight. The Shunks had no children. (The Gospel Workers' Church later became part of the Church of the Nazarene.)

Ethel Rose Arthur was born in 1875 on the farm at Lot 20, Concession 10 of St. Vincent Township. She married Robert Isaac Jolley at Fairview Grange (Lot 17, Concession 11) in 1902. Robert was the son of Robert C. Jolley and born on the family farm (Lot 17, Concession 12 St. Vincent Township). Robert and Ethel lived on this farm after their marriage, building a second part on the house. They had an agreement with Robert's father to supply him with staples, etc. When his father died, Robert paid each family member a specified sum and the farm was his. The farm was sold to Clarence Fligg and his family after Robert Arthur Jolley's death in 1957. Robert took an active part in agricultural matters and educational circles. He was also a devout church worker with the Gospel Workers. His obituary states "he was highly esteemed, and a man with whom it was a

pleasure to know and associate". Robert and Ethel had six children - an infant son who died at birth, Robert Arthur, George Kenneth Falconer, William Frederick, Muriel Irene, Harold Porter Jolley. After Robert's death, Ethel moved to her daughter Muriel's home. Robert Jolley was a ratepayer for St. John's School, where all his children attended. Several of his children became school teachers. (See school pictures on pages 149, 150 of History of the Schools of St. Vincent Township and Other Chronicles, 1847-1967.)

Bernard (Bern) Stanley Arthur was born in 1878 on the family farm at Lot 20, Concession 10 of St. Vincent Township. He married Florence Donelda Baker in 1904. They farmed at Lot 17, Concession 11 of St. Vincent Township from 1911 to 1948, then retired and moved to Highway 26 west of Meaford. He also owned 115 acres, the back half of Lot 31, Concession 10 for one year. He sold it in 1942 to be part of the Meaford Tank Range. Bernard and Florence had six children - Helen Jean, Marion Isobel, Kathleen Bernice, George Wesley, Bertram Russell, and Frederick Donald Arthur.

Annie Gertrude Arthur was born in 1881 on the family farm at Lot 20, Concession 10 of St. Vincent Township. She died in 1886 at 5 years of age.

Ellen (Nellie) Victoria Arthur was born in 1882 on the farm at Lot 20, Concession 10 of St. Vincent Township. Ellen took nurse's training in New York City, then moved to Weyburn, Saskatchewan to work in the Weyburn Hospital. She visited Mary and Robert Milligan of Ceylon, Saskatchewan and met their son, John, who had been born in Owen Sound. He was the owner of a homestead and also a businessman in the village of Ceylon. John and Ellen married in Winnipeg, Manitoba in 1914 and then lived in Ceylon, Saskatchewan. They later retired to Victoria, British Columbia. John died in a nursing home in Victoria in 1965 and was buried in Royal Oak Cemetery, Victoria. Ellen moved to Toronto with her daughter, Aileen and Hugh White, and lived with them until her death in 1970. She was buried beside her husband in Victoria, British Columbia. Ellen and John Milligan had two children - Cecil Arthur and Eleanor Aileen Milligan.

George Frederick Arthur was born in 1884 on the family farm (Lot 20, Concession 10) in St. Vincent Township. He bought 50 acres of his father's farm (Lot 17, Concession 11) in 1911 and sold it to his brother Bernard in 1912. He bought the south half of Lot 20, Concession 10 (100 acres) from his brother Orville in 1912 and sold it to John W. Jolley in 1920. George Frederick married Inez Blakeslee. (Inez was a sister of Abram Floyd Blakeslee who married George's sister Tirzah Arthur. Inez and Floyd Blakeslee were also a niece and nephew of Abraham Lincoln Shunk, who married Mary Arthur.) George Frederick and Inez moved to Edmonton, Alberta and farmed in that area. They had two children - Eugene and Theodore Arthur.

Orville James Arthur was born in 1888 on Lot 20, Concession 10 St. Vincent Township. Orville bought this farm from his father George Henry Arthur in 1910 and later sold it to his brother George Frederick in 1919. Orville married Annie Lavina Sutton, the daughter of James and Mary Jane Sutton, in 1910. They had three children - Lola Pauline, Audrey Florence and Aubrey Floyd Arthur, Audrey and Aubrey being twins. (Note 4: Annie Lavina Sutton attended U.S.S. #15 South Sydenham and St. Vincent School (Woodford).)

Anna Porter Arthur was born in 1890 (location unknown because it is not known when her parents moved to their second farm). Anna never married. She spent much of her life in a wheelchair.

Tirzah Josephine Arthur was born in 1893 in St. Vincent Township (location unknown because it is not known when her parents moved to their second farm). She attended St. John's School. She met and married Abram Floyd Blakeslee. Floyd was a brother to Inez Blakeslee (who married Tirzah's brother George Frederick Arthur) and a nephew of Abraham Shunk (who married Tirzah's sister Mary). Tirzah and Floyd moved to Pontiac, Michigan where Floyd had a law practice with his father. Floyd later became an Assistant Attorney General of Michigan and also a prosecutor for Oakland County, Michigan. They had two children - Ellen Elizabeth and Arthur Floyd Blakeslee.

The Atkins farm was located at Lot 26, Concession 9 of St. Vincent Township, part of the Irish Mountain. This was where Levi Atkins grew up with his parents, Joseph and Ellen Atkins. Joseph Atkins purchased 100 acres, the south half of the lot, from the Crown, then willed it to his son Levi in 1900. Levi sold the farm to his daughter and son-in-law, Hattie and Frederick G. Ellis in 1926, with the condition that they would be joint tenants with a bedroom reserved for him in the house. In 1942 this farm became the property of the Meaford Tank Range, so it is now inaccessible. (To see a picture of the house on this farm, see page 85 of History of The Schools of St. Vincent Township and Other Chronicles, 1847-1967.) Mr. and Mrs. Ellis moved to Meaford when they sold the farm.

According to the 1861 census of William Porter in St. Vincent Township, Levi Atkins was a labourer, age 14, living with the Porters and of Wesleyan Methodist faith.

Levi Atkins married Mary Porter in 1874 at her parents' home. They had 11 children, three of whom died at an early age and were buried in Duxbury's Cemetery, St. Vincent Township.

The 1881 St. Vincent township census lists Levi at age 33, born in Ontario of German descent, Mary, age 27, born in Ontario of English descent, and three children: Hattie, age 4, William, age 3, Arthur under 1 year.

The 1891 St. Vincent township census lists Levi, age 43, Mary age 37, Hattie age 14, Ellen age 8, Morley age 6, Elizabeth age 4, Sarah age 2 and Joseph age 7 months. They were all born in Ontario and were of Methodist faith. Levi's parents were born in Ireland; Mary's father was born in England and her mother in Ireland.

Mary Atkins died at their farm, Lot 26, Concession 9 in 1911. Levi died in 1931 at his granddaughter's home, Marion Ellis Maxwell.

Hattie and Frederick Ellis had 5 children - George Atkins, Clara Elizabeth, Levi Howard, Marion Florence, and Grenfell Frederick Ellis. The Ellis children attended S.S. #5 School known as Mount Pleasant or Irish Mountain School at Lot 24, Concession 9. This school is now part of the Meaford Tank Range property. Hattie and Frederick Ellis attended Mount Pleasant Methodist Church. (Note 5)

William Stanley Atkins was born in 1880 at Lot 26, Concession 9 of St. Vincent Township and died at the age of 4 years. He is buried in Duxbury's Cemetery, St. Vincent Township.

Note 5: History of The Schools of St. Vincent Township and Other Chronicles, pages 80,81,234

Ellen Atkins married George Alfred Bishop in 1906 at the St. Vincent parsonage. George had gone west in 1895 and homesteaded in the Calvin, Saskatchewan district. George came home to Meaford, married Ellen and they moved back out to Saskatchewan. They later moved to a farm 3 miles northeast of Glen Ewen, Saskatchewan. Ellen was a member of the Mizpah Rebekah Lodge. Her obituary states she was of a friendly disposition and endeared herself to everyone who came in contact with her. She was always held in the highest esteem by everyone. Ellen died in 1923. George retired from the farm in 1944 and moved to Carnduff, Saskatchewan. He served as a councillor of Mount Pleasant for 18 years and for several years was trustee on the Mount Pleasant School Board. He was prominently associated with the start of the Wheat Pool in Glen Ewen, keenly interested in community affairs and helped form a IOOF Lodge in Glen Ewen in 1909. Ellen and George Bishop had four children - Arthur, Audrey, Dorothy, and Jean Bishop.

Morley Atkins was born in 1885 at Lot 26, Concession 9 of St. Vincent Township and married Florence Smith. They farmed for 30 years in the Irish Mountain area, now part of the Meaford Tank Range. After Morley died, Florence moved to 128 Cook Street. They had no children.

Elizabeth Atkins was born in 1886 at Lot 26, Concession 9 of St. Vincent Township. She went west in 1916 to train as a nurse at Regina General Hospital, Regina, Saskatchewan. While there, she collected the nickname Tommy which many used throughout her life. During her nursing career, she cared for several of Saskatchewan's lieutenant-governors at Government House. While on assignment, Elizabeth met Stewart Champ, a prominent Regina restaurateur and businessman. They married in 1928 and built a grand house on Albert Street, using imported marble, tile and furniture from overseas. Elizabeth was a founding member of the IODE Embury Chapter and served several years with the Victorian Order of Nurses. Elizabeth and Stewart had two children - Donald Stewart and Jane Elizabeth Champ.

Saskatchewan. They had 6 children - Marion Grace, Doreen Elizabeth, Gerald Stewart, Melba Geraldine, Kenneth John, and Bruce Beverley Curle. Gerald and Geraldine were twins.

Joseph Atkins was born in 1890 on the family farm at Lot 26, Concession 9 of St. Vincent Township. He moved west to Moose Jaw, Saskatchewan. Joseph never married. Joseph attended Babcock's School, S.S. #16, at Lot 22, Concession 11. It is no longer standing. (Note 6)

William Porter Atkins was born in 1892 at Lot 26, Concession 9, St. Vincent Township. He married Helen Murphy and they had 3 children - Pat, Jean and Bud Atkins.

Frederick Levi Atkins was born in 1894 at Lot 26, Concession 9 of St. Vincent Township. He married Edna Grace Stevens and they lived on the Queen Charlotte Islands, British Columbia. They had 2 children - Stanley Frederick Edmund and Grace Marie (Sue) Atkins. Fred was a life member of Ketsilas Lodge #123 in Terrace, British Columbia.

James and Eliza Ann Free are listed in the 1881

She died in 1932 at the home of her niece, Hattie

185. Isaac Herbert Porter

Isaac Porter was born in 1861 at the homestead, Lot 16, Concession 10. He married Anna Maria (Minnie) Shields who lived on the farm next door. They had 5 children - Grace, William, Elizabeth Kenny, Isabel Josephine, and Isaac Herbert Porter.

Anna Maria Shields taught school at S.S. #10 (White's School) at Lot 3, Concession 10 for the school year 1889-1890. Isaac and Anna Maria's children attended St. John's School (S.S. #11). (Note 7).

Isaac Porter was a ratepayer with S.S. #7 (Bethesda School) in 1889, and also a ratepayer with S.S. #11 (St. John's School) in 1889.

Isaac bought the homestead from his father William in 1886. His son Herbert bought the farm in 1930 and lives there today. The family attended St. John's Methodist Church, Lot 15, Concession 10, until it closed in 1964.

Grace Porter was born in 1893 on the homestead, Lot 16, Concession 10. She married Hollis Theodore Weaver in 1913. They farmed at Lot 7, Concession 2 of Sydenham Township from 1913-1968. They attended St. Paul's United Church, Lot 4, Concession 2 Sydenham Township. Hollis Weaver attended S.S. #10 Sydenham and St. Vincent School, known as Blind Line School. (Note 8)

Grace and Hollis Weaver had three children - Kenneth Francis, Charles Melbourne, and Raeburn Hollis Weaver. After Hollis' death in 1968, his son Raeburn owned the farm for 3 years until his death in 1971.

Kenneth and Anna Weaver owned Lot 6, Concession 3 of Sydenham Township from 1937-1970. Then they moved into Owen Sound, Ontario.

Charles Weaver served with the Canadian Armed Forces from 1941 to 1946. He took part in the Sicily Invasion from July 1943 to March 1945, then returned to England.

William Porter was born in 1898 at the homestead, Lot 16, Concession 10. He married Edith Henrietta Jolley at the Meaford parsonage, in 1920. They proceeded to the train station from the ceremony and travelled by train to Carman, Manitoba where they farmed for a few years. Edith returned to Meaford to the home of her parents (George H. & Ula Jolley) at Lot 16, Concession 11 in 1921 where Albert was born. When he was about 6 weeks old, she returned by train to Carman, Manitoba. William and Edith left Manitoba in 1923 and returned to Meaford before Louise was born.

William and Edith had five children - Albert Isaac, Edith Louise, Helen Elizabeth, Harold William, and Donelda Margaret Porter. All their children attended St. John's School (S.S. #11).

William bought Lot 17, Concession 10 from his father Isaac in 1930. The original buildings still stand today. However, the barn has been enlarged, adding 20 feet in the center of it. After William's death in 1950, Edith sold the farm to her son Albert. Albert farmed there for many years, selling it in 1985. This farm was in the Porter family name for 102 years, from 1883-1985. (William and Elizabeth Kenney Porter (#1) bought this farm from Robert Taylor in 1883.)

Elizabeth Kenny Porter was born in 1900 at the homestead, living for one year. She is buried in Lakeview Cemetery, Meaford, Ontario.

Isabel Josephine Porter was born in 1902 at the homestead, Lot 16, Concession 10 St. Vincent Township. She married William David Palmer

who grew up on Lot 11, Concession 11 of St. Vincent Township and attended St. John's School with Isabel. After their marriage in 1926, they moved to Cleveland, Ohio, USA. They had 4 children - Keith David, Dorothy June, Paul Duane and Margaret Evangeline Palmer.

Isaac Herbert Porter was born in 1906 on the family farm (Lot 16, Concession 10) and still resides there today. He married Ellen Jane (Nellie) Sinclair of Keady in 1932.

Ellen Sinclair taught school at St. John's (SS#11) and at USS #15 (Morley School). (Note 9)

Herbert and Ellen had 3 children - Malcolm Isaac, Donald Shields and Marion Ellen Porter.

Ellen wrote the history of the Porter family in 1949. It is to her that we are much indebted, because without her help many years ago, this task would have been very difficult. Thank you Aunt Nellie.

The original buildings still stand on the homestead, with slight alterations.
